PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Local Teachers Honored By Lions

The annual teachers' reception by the Canal Point Lions club was held Monday night at the Community Building with Jimmy Repper, president of the club, presiding and A. R. Harrington acting as master of ceremonies and official introducer of the teachers. Mr. Harrington is a school trustee.

Mr. and Mrs. Will Jernigan, former residents of Canal Point who now live in Clewiston and who recently returned from a seven weeks tour of Europe, provided the program by showing colored pictures which they took while on their sojourn. While aboard the Jernigans visited their daughter and attended the International Convention of Rotary at Zurich, Switzerland.

Teachers honored at the reception who received tokens of appreciation were as follows:

Carl Crawford, Principal
Mrs. Alma Burr, First Grade.
Mrs. Helen Hendersen, Second grade.

Mrs. Wilma Crawford, Third Grade.

Mrs. Billie Huddle, Fourth Grade.

Mrs. Charlotte Walton, Fifth Grade.

Mrs. Lou Austin, Sixth Grade.

James T. Threlkeld, Seventh Grade.

Mrs. George C. Ranson, Eighth Grade.

The sumptuous dinner of turkey and dressing, chicken and dumplings and all the trimmings was, as usual, delectable. It was served by members of the Church of God of Prophecy of Pahokee.

Officials of the club are:

President: James W. Repper.

1st Vice President: Harlan H. Sears.

2nd Vice President: Marion M. Martin, Jr.

3rd Vice President: Carl Crawford.

Secretary: Phelix Slonaker.

Treasurer: Oliver H. Sheppard.

Lion Tamer: Delmar L. Hooks.

Tail Twister: Mack L. Barfield.

Bartow Tonite Is Blue Devils' First

An inexperienced but spirited Pahokee High Blue Devil team is traveling to Bartow for the season's opener against the Bartow Yellow Jackets tonight.

This will be the Blue Devil's second encounter with the Yellow Jackets, the present series of games starting last year when Bartow won a hard-fought game, 18-7.

Coach Web Pell is expecting this year's aggregation of Yellow Jackets to have just as much sting as they had last season and he is having to pit against them an entirely new Blue Devil eleven of unknown strength and ability. With Richard Weeks, the only regular first stringer returning from last year's team on the bench with a fractured shoulder, Coach Pell and his assistant, Coach Bill Howard, have had to work with a squad of green men in the building of this year's team. There has been keen competition for regular positions.

(continued on page 8)

Growers Named On ASC List 1958

The following were elected in the ASC mail election ending September 10, 1957. The committeemen will serve for 1 year beginning October 1, 1957.

Pahokee-Canal Point Community

Chairman and Delegate, Ray B. Raulerson.

Vice-Chairman and Alternate Delegate, Milton Douglas.

Regular Member, Louis Davis.

First Alternate, Grady Baynton.

Second Alternate, Fred Hickeyson.

Belle Glade-Chosen-South Bay Community

Chairman and Delegate, George Wedgworth.

Vice-Chairman and Alternate Delegate, P. C. Kirchman.

Regular Member, W. S. Ingram.

First Alternate, Robert Adel.

Second Alternate, Floyd Wilder.

13 Extra Inches Of Rain In Lake Area

"Frog strangling" showers daily for the past several days have made "it too wet to plow" in the Lake Okechobee agricultural area. Cessation of rain and full cooperation of Old Sol are now necessary before the fall crop can be put into the ground. Pumps are running continuously but the rainfall has been more, than that removed by the pumps.

About three weeks ago farmers got away to a good start in their planting but the day after day rains have halted all planting operations except in unusually high spots. As a result far less seed is in the ground than is the usual case at this time of year.

According to an official of Pahokee Drainage District, pumps have been operating on a 24 hour basis since Sept. 1, but at times they have not been operating full capacity.

Statistics at the drainage office shows rainfall, Sept. 1 through 16th, is 7.84 inches. Normal rainfall for the entire month is 7.15 inches.

Rainfall for the year up to Sept. 16 has been 55.59. Normal rainfall for the entire year is 42.56 which gives this section to date some 13.03 excess rainfall with three more months to go. Last year this section had a deficiency of 16.12 inches.

Jean Brown Wins Clearwater Honors

Miss Jean Brown, daughter of Mr. and Mrs. J. W. Brown of Pahokee, is reigning this week as queen of the 1957 World Softball Tournament at Clearwater, the tournament is being held under the auspices of the Clearwater Junior Chamber of Commerce.

Miss Brown, a Junior at Pahokee High School and a majorette in the Pahokee High School Band, entered the contest to name "Miss 1957 World Softball Tournament" under the sponsorship of the Pahokee Jaycees. In addition to the honorary title, she receives several prizes with a reported total valuation of approximately \$1,000.

Clewiston Tigers Next Thursday Eve

The date of the Suncoast Conference football game between the Pahokee Blue Devils and the Clewiston Tigers, originally scheduled to be played on Lair Field, Pahokee, at 8:15 p. m., Friday, Sept. 27, has been advanced one day by mutual agreement by officials of both schools and will be played on the same field at the same hour Thursday, Sept. 26.

The date was changed in order to give Glades football fans an opportunity to see both the Pahokee-Clewiston game at Pahokee Thursday evening and the Belle Glade-Lake Worth game which will be played at Belle Glade the following night, Friday, Sept. 27.

Coach Carl Ferrara will bring to Pahokee a veteran backfield headed by Glenn Glass that may be good enough to win for Clewiston the 1957 Suncoast Conference championship.

Last season the Tigers gave the Blue Devils an unmerciful 45-0 beating and although they are rated as starting the season even stronger this year, it is unlikely they will be able to run up again this year such a top-sided score against the Blue Devils. Even a green team can offer some stiff opposition if it is filled with a fighting spirit and you can bet Coach Pell's men won't be forgetting last year's shellacking when the Tigers come charging in.

Bandmaster Robert O. Lampi's 1957-58 Pahokee High School Band will be making its first appearance of the season at this game and is working out plans for a very entertaining halftime show.

Business Woman's Week Starts Sep. 22

National Business Women's Week, which will be observed by millions of women throughout the nation during the week beginning Sept. 22, will be celebrated by the Pahokee Business and Professional Women's Club with a variety of events, it was announced this week by President Allie Olie.

The national theme, "Salute to Women Who Work," will be pointed up by a window display in one of Pahokee's leading dress shops. Mrs. Doris Sasser, career advancement chairman, will speak at a meeting of Pahokee High School senior girls on the importance of career planning.

The week will begin officially in Pahokee with group attendance at the Sunday evening services of Canal Point Baptist Church. BPW Club members will also attend Monday night's session of the City Council, as well as an open forum on heart disease to be held on Wednesday evening at the Belle Glade High School auditorium.

ONE-MAN HELICOPTER

An Umbough one-man helicopter was demonstrated on the County Airport south of Pahokee yesterday morning. A crowd of Glades aviation enthusiasts gathered for the demonstration. The helicopter is a very small flying machine and sells delivered for \$3500.

Canal Point Lions Seek \$1,000 To Recondition Fire Truck

Work Is Started On Big Lake Store

Contractors Blanton and Unwin started work this week on Carl Mindlin's new Big Lake Department Store building to be erected between the present Big Lake Store and Joe Kahn's Department Store in Pahokee. The building will contain 6600 feet of floor space as contrasted to the 2400 feet now occupied by Mr. Mindlin's store. The contract price was \$35,000. The old store will be for rent when the new store is completed, Mr. Mindlin said.

J&S Park Is Sold, Keens Will Manage

"Catfish, hush puppies and sweet taters," describes only one place in this section of the Lake Okechobee Region and that is the J&S Park north of Canal Point, which has become a familiar eating spot and also a spot from which to fish during the past several years since its establishment.

The J&S Park through its long years of service and fair dealing with the public—both local and traveling—has gained an enviable reputation as one of the outstanding business places of this area.

The J&S Park was sold the other day. And, along with it 22 acres which will be made into a lakefront development for exclusive homesites.

A syndicate purchased the J&S from Mrs. J. O. Mitchell and the properties will be managed by Mr. and Mrs. Manning T. Keen of Canal Point. Mr. Keen is Standard Oil agent in Canal Point and Mrs. Keen, a registered real estate salesman, will be in active charge of the Park and its surrounding properties.

Mr. and Mrs. Keen pointed out yesterday that the J&S will continue to operate on the same high plane as in the past. The same personnel will be in charge, and a cordial invitation is extended to one and all to visit this familiar eating and fishing spot.

17 Churches Send Folks To Seminar

Mrs. John A. Dulany of Pahokee presided as general chairman at the district seminar held in Pahokee Thursday last week for members of the Woman's Society of Christian Service, with 132 WSCS members from 17 Methodist Churches in West Palm Beach District attending.

At the morning session the invocation was given by the Rev. Wayne Owens of Pahokee. Following a brief opening address by Mrs. H. E. Garrett of Belle Glade Mrs. T. N. Alexander of Pompano Beach presented a study of "The Gospel of Saint Mark." A pageant

Money Must Be Raised Voluntarily So Necessary Parts Can Be Purchased For Reconditioning Truck Which Formerly Belonged To Pahokee Fire Department. — Ex-WPB Chief Says Truck Can Be Put In Excellent Condition For Service To Canal Point Area.

Through the years residents of Canal Point have depended on the Pahokee Fire Department to fight local fires. The Pahokee Department of Pahokee have been unusually cooperative and responded to fire calls in Canal Point which have been outside the corporate limits of Pahokee. The City of Pahokee and its taxpayers are not obligated to fight Canal Point's fires. So, Canal Point Lions are making an honest effort to do something about it.

But, say the Lions, you can't get something for nothing! It takes cash! And, in this instance it is going to take \$1,000 in cold hard cash. And, the Lions are going to work hard to see that every property owner and resident of the Canal Point area has opportunity to donate his fair share to recondition the recently acquired fire truck.

Ex-West Palm Beach Fire Chief Ray Larabee has been to Canal Point on more than one occasion

(continued on page 8)

Garden Clubs Hold Joint Meeting

The Pahokee and Canal Point Garden Clubs met jointly in the Community Building at Canal Point Tuesday evening for a kick-off supper which opened the garden club season in this area.

Mrs. Norman Kennedy, conservation chairman for the Pahokee Club, introduced as guest speaker John C. Stephens, project supervisor of soil and water conservation, research branch, USDA, who spoke on "Soil Conservation." In his talk the speaker told how the alarming loss through oxidation of the muck soil in the Everglades can be checked by adequate water control that will hold the water table at a high level while crops are being grown and by keeping the land under water when it is not being used for crops or grass.

Mrs. O. H. Chastain, president of the Canal Point Club, welcomed the guests, introduced new members of her club and announced a club workday would be held Tuesday, Sept. 24, starting at 1:30

Cinematic Chatter

By Malcolm Millar

Hello everybody! Chance has played a major role in the career of lovely Gail Russell. For example her prowess in the ancient sport of archery. She now is an expert with the bow and arrow because of hundreds of irate readers of national magazines. At the beginning of Gail's career, one of her first assignments was to pose with bow and arrow for a fashion layout in a national magazine. Wanting the publicity very badly, Gail assured the editor she knew all about archery. They didn't, so took her word. When the layout was finally published, in glowing colors, Gail was posing with the bow held upside down. It seemed as though every archery fan in the United States howled in protest, writing "bitter letters to the editor." "That decided me," says Gail. "I enrolled in an archery school and loved the sport so much that I still keep it up." Her initial discovery by Hollywood was also made by sheer accident. One day a Hollywood talent scout picked up two hitch-hiking boys in Hollywood. When they found out their host was a talent scout they began raving about a real beauty in their school, a raven-haired, blue-eyed beauty named Gail Russell. That Was It! See you at the movies—Mal.

West Coast Is Site Supermarket Scrap

TAMPA—The battle of the supermarkets seems to be in full swing throughout Florida with the main battle lines forming on the fast growing West Coast at the present time. Object of the battle is to build a larger number of bigger and more elaborate supermarkets than your competitor.

Latest entry in the race to build and expand is Winn-Dixie Stores, Inc., who have announced plans to build 10 large supermarkets on the Florida West Coast in the belief that food sales in the area from Naples in the south to Tampa will double by 1960.

The stores, which will operate under the popular Kwik Chek name, are to be twice as large as any the chain has built in the area before. The markets will range in size from 17,500 to 25,000 square feet and will average \$150,000 to construct and equip.

The store will be built between now and next June with three scheduled for the Tampa area, five for Pinellas County and two more on the lower West Coast.

Other principals in the battle of the supermarkets at the present time are Publix and Food Fair. Both chains recently opened giant new stores in the Tampa-St. Petersburg-Clearwater area or have announced plans for construction of new markets.

A Southern Airways DC-3 airliner recently carried the airline's millionth passenger, culminating Southern's eight and one half years of accident-free operation in service to 30 cities in eight Southern states.

Cattle Markets In Action Thru State

WINTER HAVEN—Manager J. N. Hawkins of Monticello Stockyards reports a good Feeder Calf Sale at his market on September 5th of over 600 head. Steer calves averaged \$17.02 and Heifer Calves \$16.01.

"Manager George C. Young of Glades Livestock Market, Belle Glade, will hold an Aberdeen-Angus Feeder Calf Sale on September 18th, and Manager L. H. Thompson of Gainesville Livestock Market will hold the last Special Feeder Calf Sale of the present series on Wednesday, September 18. This will be Hereford and all other breeds, including Angus that did not get in on the Angus Sale, off color Angus, black-white face and all other cross breeds." L. H. Lewis, Director of State Markets stated in his weekly roundup of livestock market reports.

"Comparing the past week with the previous week's report and that for the same period a year ago, last week 17 markets sold 12,087 cattle and calves and 3,447 hogs and pigs, 10 markets reported gross sales of \$388,813.81. The previous week 16 markets sold 9,918 cattle and calves, 3,302 hogs and pigs and 11 markets reported gross sales of \$376,464.12. For the period ending September 17 last year, 16 markets sold 11,817 cattle and calves, 4,213 hogs and pigs, and 11 markets reported gross sales of \$585,007.59.

Summaries of individual markets follow:

Arcadia State Livestock Market, Sept. 11—1,368 cattle and calves. Belle Glade, Glades Livestock Auction Market, Sept. 9—1,342 cattle and calves.

Bonifay State Livestock Market, Sept. 4—36 cattle and calves, 276 hogs and pigs.

DeFuniak Springs, Walton Co. State Livestock Market, Sept. 12—55 Cattle and Calves, 208 hogs and Pigs.

Gainesville Livestock Market, Sept. 9-10—1,375 cattle and calves. Gainesville, Jackson Livestock Market, Sept. 6—300 cattle and calves, 491 hogs and pigs.

Jay State Livestock Market, Sept. 10—56 cattle and calves, 481 hogs and pigs.

Kissimmee Livestock Auction Market, Sept. 11—1,304 cattle and calves.

Lakeland, Cattlemen's Livestock Auction Market, Sept. 10—1,007 cattle and calves.

Live Oak, Suwannee Valley Livestock Market, Sept. 11—223 cattle and calves, 1,511 hogs and pigs. Monticello Stock Yards, Sept. 9—152 cattle and calves, 372 hogs and pigs.

Okeechobee Livestock Market, Sept. 11—794 cattle and calves.

Orlando, Mid-Florida Livestock Market, Sept. 9—634 cattle and calves.

Tampa, Cattlemen's Livestock Auction Market, Sept. 9—1,042 cattle and calves.

Vaughula, Hardee County Livestock Market, Sept. 12—1,215 cattle and calves.

Webster, Sumter County Livestock Market, Sept. 10—545 cattle and calves, 108 hogs and Pigs.

Road Construction Amounts To A Heap

Nearly \$139 millions in road and bridge construction projects were underway in the state during August, according to a monthly progress report issued today by Wilbur E. Jones, Chairman of the State Road Department.

In addition to the \$138,467,260 of projects already under construction, Chairman Jones said that bids were received for \$4,644,953 in new construction. During the month contracts were formally awarded for road construction totaling \$3,153,183, while work completed and accepted by the Department in the period amounted to \$6,414,044.

Chairman Jones, who is also Road Board member from the Fourth District, reported that construction under 44 contracts in the 9 counties comprising this district accounted for \$10,198,708 of the state total.

Water Study To Be Held Atlanta

Officials of the Central and Southern Florida Flood Control District will join the nation's leading water and conservation authorities at the Fourth National Watershed Congress in Atlanta next week.

W. H. Hitt, chairman of the FCD governing board will be accompanied by Executive Director Bolivar F. Hyde and Donald D. Bock of the Division of Planning and Research at this annual meeting of leading authorities to begin on Monday, September 23.

H. L. SPEER SERIOUSLY ILL

H. L. Speer, assistant county agent, Pahokee, is seriously ill in the Veterans hospital in Miami. Mr. and Mrs. Speer have been living in Lake Worth for the past several months in order that he might have some relief from an allergy from which he suffers when he is on the muck. He is at present also suffering from a blood circulatory ailment.

Prevent Mishaps In Special Week

TALLAHASSEE—Gov. LeRoy Collins has joined governors and mayors across the country in designating the week of September 21-23 "Emergencies Don't Wait Week."

The governor said the week will be dedicated to preventing most accidents and keeping the rest minor. He pointed out that 30 per cent of America's 95,000 accidental deaths during 1956 occurred in the home.

"Emergencies Don't Wait Week" will emphasize a three-step program designed to reduce the accident rate: the elimination of accident hazards, training in first aid treatment and the preparation for accidents by having on hand the basic equipment for administering first aid.

The safety program is sponsored annually by the nation's druggist and Johnson & Johnson.

From where I'm sittin'... by Joe Marsh

Swimmin' Hole

When I was a kid we used to swim down at the river bend, but all that's been changed. A new outfit bought the section and fenced it off so the youngsters can't swim there any more. First, folks figured it was a misunderstanding and contacted the new owners, telling them it was the only good swimmin' place for mules. The new owners said they'd enforce their own law — no swimmin'.

From where I'm sittin' it's the old story again — it's a lot easier to deprive the other fellow of his pleasure than it is to help him enjoy life. Even the simple things in life like enjoyin' a cup of tea or coffee — me, I enjoy a cool glass of beer. Other folks can help me to enjoy life by not trying to deprive me of my little pleasures.

Joe Marsh

PAHOKEE, FLORIDA

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

PERSONAL NEWS NOTES

Dow McClelland enrolled in the Davis Institute of Technology in Miami for the Medical Technology Course. Mr. McClelland is the son of Mr. and Mrs. L. V. McClelland of Canal Point.

Mr. and Mrs. Curtis Chase accompanied their sons, Alden and Gordon Chase, last weekend to Gainesville where the two young men enrolled as students at the University of Florida. They plan to make a two weeks' vacation tour of Florida before returning to Pahokee.

Mrs. Luke W. DuFresne arrived recently from Bar Harbor, Me., where she has been visiting her father, W. W. Sargent, to join Mr. DuFresne, the new administrator of the Everglades Memorial Hospital, in Pahokee where they are now making their home.

Mr. and Mrs. A. E. Davis accompanied their daughter, Wilda, the past week to Tuscaloosa, Ala., where she enrolled as a student at the University of Alabama.

Mrs. Nan Cunningham has moved from Pahokee to the Bahamas Islands where she is now employed as dining room hostess at the Town Hotel in Nassau.

Mrs. J. T. Guerry, Sr., is recuperating from surgery performed recently at Good Samaritan Hospital, West Palm Beach.

Mrs. W. J. White left the past week for a visit with relatives in Pearson, Ga., and Marianna, Fla. She was accompanied as far as Tallahassee by her son, Bobby White, and by Charles Lairsey who are enrolling as students at Florida State University.

Mr. and Mrs. Leo Wroten have returned from Brunswick, Ga., where they were called recently by the death of a nephew, Franklin Miller, 47, who died at his home there of a heart ailment. Mr. Miller had been an employee of the City of Brunswick for 22 years.

Dr. and Mrs. Thomas Dickson have moved from Fort Lauderdale to Pahokee where Dr. Dickson plans to open a veterinary office near the Glades Airport on Bacon Point.

Hughes Ridenour has returned to his home in Pahokee from a business trip to Sundown, Texas.

Mr. and Mrs. Robert Walker have returned home from Hendersonville, N. C., where Mr. Walker was engaged in the vegetable harvest business through the summer.

Mrs. Jack Phillips and small son, John, will return home next week from a visit with Mr. Phillips at Fairfax, S. C.

W. P. (Bill) Culberson has returned to Hendersonville, N. C., after spending a few days with his family in Pahokee.

Mr. and Mrs. C. Shirley, Sr., and Mr. and Mrs. C. L. Shirley, Jr., spent the weekend at Ponte Vedra on business.

Mrs. Fred Cone is substituting for Mrs. Marie Funderburk in the offices of the Everglades Memorial Hospital while Mrs. Funderburk is recuperating from recent surgery performed at Good Samaritan Hospital.

Mr. and Mrs. George Ramey visited Mr. and Mrs. J. W. Wood and family in Stuart and other friends in West Palm Beach Sunday.

C. R. Mathis of Panama City is visiting his daughters, Miss Julia Mathis and Mrs. H. M. McIntosh and family in Pahokee.

Miss Barbara Vertommen has joined the office staff at the Everglades Memorial Hospital, replacing Miss Billie Nell Stokes who is now working at Coral Gables.

Mrs. Lois Mullis, who has been employed on the nursing staff at the Everglades Memorial Hospital, is now working in the office of Dr. William T. Gist at Canal Point.

Cindy Oliver, small daughter of Airman 1-c and Mrs. James Oliver of Tampa, is visiting her grandparents, Mr. and Mrs. Andy Culberson and Mr. and Mrs. L. M. Mullis, Sr., in Pahokee this week.

Mrs. Joyce Hyatt, who is employed by Western Union at Cooca, is spending a week with her daughter and with her mother, Mrs. David Lovell, in Pahokee.

Mr. and Mrs. Don B. Kepp, Mr. and Mrs. Ellis Wilkinson and Walter Ellis were week end visitors in Key West.

Mrs. Butler Spooner is in Good Samaritan Hospital where she had an eye operation Thursday.

Mr. and Mrs. J. P. Parker accompanied their son Joe to Gainesville Wednesday where Joe entered the University of Florida.

Mr. and Mrs. L. J. Fraser were visitors in Winter Haven and Tampa the past weekend.

Mrs. R. T. Smith and Mrs. Walter Cross returned to their homes Friday night after entering Beth at Florida State University in Tallahassee. They visited relatives in Douglas, Georgia before returning.

Miss Betty Echols returned to Mercer University in Macon, Ga., Monday to begin her sophomore year.

Miss Annette McIntosh has returned to Florida State University in Tallahassee to begin her sophomore year.

Two New Faces For Belle Glade Council

There will be two new faces on the Belle Glade city commission when that group meets on Tuesday, Oct. 1, to organize following elections on Tuesday of this week and Tuesday of last week. Bob Lurier and Paul Davidson will be the new members, and Zack Ingram will be the newly elected incumbent.

In the run-off election on Tuesday of this week Bob Lurier defeated J. Marvin Unwin by a vote of 362-224. Last week H. O. Carlton and J. E. Williams were eliminated in the first election. Last week Mayor Zack Ingram was returned to a seat on the council when he defeated Grant Averill 528-278. Paul Davidson won a seat on the council formerly occupied by J. H. Livingston, Jr., when the vote was 597 for Davidson and 326 for Livingston.

In the run-off election on Tuesday of this week only 629 votes were cast out of a qualified 1,420 voters.

A representative from Russell and Axon, engineering firm of Daytona Beach, will be at the Oct. 1 meeting to consult with council over proposed plans for a sewer and incinerator project.

ACL Boss Talks To Governor Collins

TALLAHASSEE — The president called on Gov. LeRoy Collins to get acquainted the other day — W. Thomas Rice, president of the Atlantic Coast Line Railroad, that is.

Rice is making a tour of Florida along with four ACL vice presidents and stopped in Tallahassee to make a purely social call on Governor Collins. The two were introduced by Chairman Alan Boyd of the State Railroad and Public Utilities Commission and his fellow commissioners, Jerry Cater and Wilbur King.

The only business comment that came up between Gov. Collins and President Rice was the congratulations the Governor extended to Mr. Rice on the speed with which he is proceeding for a new general office building for ACL in Jacksonville.

Direct Loan Plan Expires June, 30, 1958

A bill providing funds for and extending the time limit, for VA Direct Loans to veterans has been voted by the President. The Direct Loan Program will continue in effect under present regulations and is due to expire on June 30, 1958.

We are advised by Asa B. Grove, Manager Veterans Administration Loan Guaranty Division, P. O. Box 1791, Miami 10, Fla., that they have a limited amount of funds available for the Direct Loan Program and that upon the completion of use of these funds, they will set up a priority system based upon date of receipt of a completed application, then as additional limited funds become available, names will be taken chronologically from that priority list.

The purpose of the program is to supply a limited amount of loan funds for veterans in rural areas where private funds are not available. Each veteran is eligible for a maximum loan in the amount of \$10,000 bearing 4½% interest rate. This presumes he has not previously used any of his entitlement under the Act. The granting of the loan is contingent upon the veteran's financial ability to meet the terms of this maximum loan. The house which he is interested in purchasing also must qualify from an appraisal standpoint. On proposed construction, the house will be required to meet VA minimum property requirements and will be subject to inspections during the course of construction. On existing property, the house must conform to certain minimum standards dealing with safety, sanitation and structural soundness.

The Loan Guaranty Division (stated above) will communicate directly with the veteran on all applications, thus the first step for a veteran to take is to submit a letter to that office, signed by himself, which should disclose the following information:

1. Location of the property with respect to County and closest city.
2. Indicate if he owns the lot on which he proposes to build.
3. Indicate whether he intends to superintend the construction himself, or contract for a completed house.

Upon receipt of the veteran's letter, the Loan Guaranty Division will immediately send him a complete application package. All exhibits required for his particular case will be checked on an Exhibit List that is enclosed in each application package.

The minimum down payment on all Direct Loans is 2 percent. Where the construction costs exceed \$10,000, the down payment will be all that amount in excess of \$10,000, or the loan amount. The veteran must pay closing costs. A portion of the closing cost is pre-paid to the Loan Guaranty Division along with the application. This fee is collected in advance to cover the cost of the appraisal report, credit report, and where required, compliance inspections. No preliminary applications need be submitted to the VETMCP.

Veterans are urged not to submit incomplete applications, since no processing can take place until all the exhibits requested have been received by the Loan Guaranty Division.

Blue Man, the 1952 Flamingo champion, and the 1954 winner, Turn-to, will be represented this winter at Hialeah by their first stud crops.

Lytal Is Named WPB Kiwanis Pres.

County Commission Lake Lytal was unanimously elected new 1958 president of the South Side Kiwanis club in West Palm Beach at the regular weekly meeting Tuesday night. Mr. Lytal is a charter member of the South Side club and has been an ardent worker for the club's civic program since its inception. Mr. Lytal has been a member of the county commission for the past 14½ years.

ROYALS TO OPEN THURSDAY

Royal's New Department store in Pahokee will open in its new home between Vandegrift-Williams Farms office and Pahokee Drugs next Thursday. A new building, stocked with new merchandise will offer citizens of the Glades a handsome department store.

CLASSIFIED ADS PAY

Riddle Airlines recently set a one-day record for air cargo flown, when the company moved 297,021 pounds in a 24-hour period. The record is equal to all cargo carried during the first four months of the company's operations when it started in 1947.

Talk about your bargains in talk! You save money, save time—you can make 3 station-to-station Long Distance calls for the price of 2 person-to-person calls. Station-to-station is when you place your call to a telephone number instead of a particular person at the number. Even greater values, too, when you call station-to-station during Bargain Hours—nights after 6 and all day Sundays. Why not surprise that out-of-town relative or friend with a call right now?

See How You Save On Station-to-Station Calls

From Glades To:	STATION-TO-STATION		PERSON-TO-PERSON
	Nights & Sundays	Daytime	Nights & Sundays
Washington	\$1.30	\$1.60	\$1.95
Chicago	\$1.45	\$1.80	\$2.15
Miami	\$.45	\$.60	\$.70
New York	\$1.35	\$1.70	\$2.05
Denver	\$1.75	\$2.20	\$2.65

(These are rates for the first three minutes. Rates for additional minutes even lower. Federal excise tax not included.)

It's Twice as Fast to Call by Number

Southern Bell

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a home or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,548.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save.....	\$6.00	\$10.75	\$16.00
Each week for 19 years and 6 months, save.....	\$6.75	\$7.50	\$10.75

This chart shows only a few typical examples of savings goals and the amount that must be saved through Payroll Savings. Remember, you can save any amount you want. For more information, ask your pay office or the nearest U. S. Savings Office.

Christian Science Group Of Canal Point

The rewards of active gratitude to God will be brought out in the Lesson-Sermon on "Substance" at Christian Science services Sunday.
Readings from the King James Version of the Bible will include the following (I Timothy 6:17): "Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy."
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (79:31-32): "Giving does not impoverish us in the service of our Maker, neither does withholding enrich us."
The Golden Text is from Hosea (12:6): "Turn thou to thy God: keep mercy and judgment, and wait on thy God continually."

Reactivation Of Pahokee Girl Scouts

Members of the Pahokee Girl Scout Neighborhood Association met the past week with Mrs. Mina Holden of West Palm Beach, district director of the Girl Scout Council, to make plans for reactivating Girl Scouting in the Pahokee area for the coming season. Mrs. Ralph Johnson, chairman, announced leaders have been obtained for all Pahokee Girl Scout and Brownie Troops except for the third and fourth grade Brownie groups, and she asked for volunteers in Brownie leadership. She also announced another Neighborhood Association meeting will be held Oct. 1.

The first troop meeting was held at the Pahokee Methodist Church where Troop 164 organized a patrol in which Willola Tyson was elected leader; Linda Douglas, assistant leader; Laura Boyd, scribe, and Mary Lee Adams, treasurer. Connie French was received as a new member. Adult leaders of the troop are Mrs. James L. Tyson, Jr., and Mrs. Frances Peterson.

FORMER EDITOR DIES

JACKSONVILLE—Dr. Edward Davis Solomon, 82, Baptist minister for over 60 years, died Sept. 12 after a long illness. He was editor of The Florida Baptist Witness from 1931 until he retired in 1949.

MYF In Pahokee Elects Officers

Members of the Intermediate Methodist Youth Fellowship of Pahokee have elected Hal Owens, president; Alice Elaine Hurt, vice president; Elizabeth Humphreys, secretary; Martha Sellers, treasurer; Robert Boe, MYF Fund treasurer; Carolyn Sellers, sunshine chairman, and Bonnilu Lair, program chairman.

Other officers chosen were Willie Carson Adams, recreation chairman; Robert Hatton, refreshments; Joan Todd, scrapbook; John Hundley, publicity; Alice Elaine Hurt and Bonnilu Lair, pianists; David Watkins and Chaud Morgan, song leaders. Mrs. Lloyd Hundley is adult counselor for the group.

Pensacola Has Tourist Attraction

PENSACOLA—One of Florida's most unusual and interesting attractions, is the T. T. Wentworth, Jr. Museum located on the Old Palafax Highway at Ensley, Florida.

Made up of a famous and nationally known historical collections which was begun in 1899, the contents of the museum represent the life work of its founder, Mr. Wentworth. It has over 7,000 items in the collection and has been recognized by the Florida Legislature by a resolution passed and signed by Governor Collins and certified by the Secretary of State.

Among the many interesting items in the collection is an original print of the City of Pensacola as it looked in 1743. An old casket, probably brought to Pensacola in 1719 and used to bury a French officer, is also on display as well as a huge collection of swords, knives, guns and bayonets which have been found in the area.

Open only on Saturday and Sunday from 2 to 6 p. m., the museum was founded by Mr. Wentworth as his contribution to the history and tradition of Florida under five nations.

The gift with the three-way return to the recipient, to the community, to the nation—is the U. S. Savings Bond.

Patsy Batchelor New BPWC Member

Miss Patsy Batchelor, Pahokee city clerk, was received as a new member of the Pahokee Business and Professional Woman's Club at the club's first business meeting of the season held in the Civic Building.

The group made plans to be host at the B&PWC District Eight meeting that is to be held in Pahokee in November. Mrs. Doris Sasser was appointed chairman in charge of arrangements for the district meeting and Mrs. Alma Farrow, co-chairman.

Miss Lucile Williams and Mrs. Mildred Lavender were named captains of attendance teams to compete in an attendance contest during the coming year.

For those on your Christmas list who already have everything U. S. Savings Bonds.

Births

Mr. and Mrs. Loren E. O'Neal, former Pahokee residents now living in Saucier, Miss., announce the birth of a son, Loren E., Jr., on Aug. 30.

Mr. and Mrs. John T. Pickett, Jr., former Pahokee residents now living in Atlanta, Ga., announce the birth of a daughter, Dian, at an Atlanta hospital, Sept. 8.

Major and Mrs. L. M. Mullis, Jr., of Sumter, S. C., announce the birth of a son, Tommy, on Aug. 29. Mr. and Mrs. L. M. Mullis of Pahokee are the paternal grandparents.

Mr. and Mrs. Lloyd Hundley had as guests the past week Wesley Swingle of Zenda, Kan., and Ralph Reida of Wichita.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their
particular attention, the Advertising Council and

Canal Point Lions—

(Continued from page 1)
to inspect the fire truck which Pahokee used for many years, and has turned over to the Lions a list of the equipment necessary to put the truck in first class pumping condition. This equipment, including 400 feet of 1½ inch double jacket mildew treated fire hose, and the building in which to store the truck will cost \$1,000. This amount must be raised before the work of reconditioning the truck can be started because the necessary parts must be purchased first.

If you are a property owner in Canal Point and have an idea how this much cash can be raised without the residents shelling out, then please give your idea to any member of the Lions club. They'll be glad to hear how it can be done. They are open for propositions.

EX-WPFB Chief, Larabee, said, after close inspection of the truck, that it can be put into excellent workable shape with expenditure of this amount of money. Members of the Lions are working on a plan whereby a small fire house can be built in an easily accessible spot to serve the entire community. Lumber for this building is included in the \$1,000 needed, they said. Arrangements are in the planning stage for some certain person in Canal Point to handle the truck on calls. Members of the Pahokee Fire Department have said that they will come to Canal Point anytime, after the truck is reconditioned, and instruct local men on how to operate it.

17 Churches Send—

(continued from page 1)
in pantomime depicting the theme, "Christ, the Church and Race," was directed by Mrs. R. V. Allison of Belle Glade.

A display relating to Japanese art and customs was exhibited during the luncheon at noon. In the afternoon Mrs. W. P. Jernigan of Clewiston showed motion pictures of scenes in Japan and Mrs. Larry Royal of Belle Glade read a poem.

Ministers present, in addition to the Rev. Owens, were the Rev. Goddard Sherman of Stuart, the Rev. Ernest Coffey of Sebastian and Dr. N. DiStefano of Lake Harbor.

Luncheon arrangements were under the direction of Mrs. Robert Apelgren, with members of the Pahokee WSCS hostesses.

MARINA MANAGER

James L. Merrell has been named executive manager of the Pahokee Marina Corp., the organization set up by the Pahokee Jaycees for the operation of Pahokee Harbor. A new dockmaster for the harbor will also be employed to fill the vacancy left by the resignation of L. D. Duke.

Research Work Study Set Sept. 25

The 4th Annual Florida Vegetable Research Conference will be held in a two day meeting in Orlando September 25 and 26. The meeting is sponsored by the Florida Agricultural Research Institute, and the Florida Fruit and Vegetable Association, in cooperation with the Agricultural Experiment Stations and the Extension Service of the University of Florida.

Purpose of the conference is discussion and evaluation of current research programs of the Experiment Stations for the benefit of the industry as well as for the guidance and information of the Experiment Stations, according to Frank Holland, Winter Haven, Manager of the Florida Agricultural Research Institute.

Participating will be Dr. J. R. Beckenbach, Director of the Agricultural Experiment Station; Dr. M. O. Watkins, Director of Florida Agricultural Extension Service; Dr. F. S. Jamison, head of the Vegetable Department of the University of Florida; Joffre C. David, General Manager of the Florida Fruit and Vegetable Association, and Holland.

The Florida Farm Bureau Federation, Florida Seedsmen's Association and other interested groups have been invited to participate.

Rudolph Mattson, Ft. Pierce, President of the Florida Fruit & Vegetable Association, said "this meeting is for mutual benefit. Members of the industry will become better informed on the problems and work program of the Experiment Stations and in turn constructive suggestions will be offered by the industry to point out areas of research deemed desirable."

The opening session will begin at 1:30 P. M. on Wednesday, September 25 and the meeting will close at noon on Thursday September 26. All sessions will be at the Angebilt Hotel in Orlando.

Bartow Tonite Is—

(continued from page 1)
sitions with the final choice of players still undecided by the coaching staff.

Rainy weather for the past 10 days have interfered with the afternoon practice sessions but has not dampened the spirits of the Blue Devils a faster and more versatile team than last year's eleven which had loads of weight but little speed.

Probably starting against Bartow for Pahokee will be: Alvy Early, left end; Dale Stacey, left tackle; Donald Thompson, left guard; Larry Elliott, center; Eugene Crews, right guard; Richard Hutton or Willie Veal, right tackle; Richard Phillips, right end; Richard Shackford, quarterback; Wayne Elliott, left half; Wayne Unwin, right half, and Bobby Mobley, fullback.

CHICKEN SUPPER SEPT. 27

Members of the Church of God of Prophecy of Pahokee announce plans for a chicken supper at the Community Building on Friday night, Sept. 27. The usually fine food will be served and a friendly invitation is extended to everyone to be in attendance.

Garden Club Hold—

(continued from page 1)

p. m.
Mrs. O. R. Bleech, president of the Pahokee Club, introduced new members of her club and announced work days would be held every Thursday at the Shaughnessy Apartment on Bacom Point Road.

Mrs. A. R. Chastain of Canal Point and Mrs. J. T. Platt of Pahokee used the fall motif in arranging crotons and ixora for the table decorations. Mrs. W. S. Evans of Port Mayaca gave the invocation.

Plates were laid for 65 members and guests. The hospitality committee in charge of supper arrangements included Mrs. Carl Kolstad, Mrs. Robert J. Schroeder, Mrs. L. L. Shirley, Mrs. Ralph Maxson and Mrs. James Miller.

Oliver - Sowder

Mr. and Mrs. L. M. Mullis, Sr., of Pahokee announce the engagement of Mrs. Mullis's daughter, Miss Johnnie Maxine Oliver, to Donald Gene Sowder, son of Mr. and Mrs. Joseph Green Sowder, former Pahokee residents now living in Miami.

The bride-elect is a member of the Senior Class at Pahokee High School.

Mr. Sowder also attended Pahokee High School, receiving his diploma after joining the Armed Services. He was an Airman 1c when he received his honorable discharge in June, 1954, after spending three and a half years in the Service.

Plans are being made for a December wedding.

MOVES TO TEXAS

Percy Rockwell left Pahokee Tuesday for Lubbock, Texas, where he will make his home with a son. Johnny Thomas took Mr. Rockwell to Miami where he took a plane for the trip to Lubbock.

Former Teacher In Canal Point Dies

FORT LAUDERDALE — Mrs. Vivian Niles Mercer, 67, a teacher in Florida schools for 43 years, died Thursday of last week at the home of her daughters, Mrs. J. B. Ott, and Mrs. Joyce M. Rice, 321 NW 53rd St.

Mrs. Mercer, whose home was in Okeechobee, taught in North Florida schools and later in Palm Beach County. She started teaching in rural schools as a girl of 15. She taught at the elementary school in Canal Point for 10 years before her retirement in 1952. Coming here six weeks ago, she was a native of Bonifay.

Other survivors include a sister, Mrs. Ralph Williams, Sitka, Alaska, and a grandson.

Funeral services will be held Monday at the Colonial Funeral Home in Wausau, Wis. Burial will be in Wausau.

NEW SERVICE STATION

The Pahokee contracting firm of Blanton and Unwin has been awarded the contract for the construction of the new service station to be built by Shaw Brothers Oil Company of Miami at the corner of Bacom Point Road and Rardin Avenue in Pahokee. It is estimated the building will cost in excess of \$30,000.

Student Members For Civic Clubs

Three Pahokee High School boys Eddie Vertommen, Robbie Walker and Bobby Mobley, were honored this week when they were selected by the faculty to represent their school as student members of local civic clubs through the current school year.

Eddie was chosen as a student member of the Pahokee Rotary Club; Robbie, the Pahokee Lions Club, and Bobby, the Canal Point Lions Club. Each will have the privilege of inviting a student guest to attend each club meeting with him during the year.

Whether you spell it Santa Klaus, Kris Kringle, Pere Noel or Father Christmas, the spirit is the same and the present that fits every stocking is a U. S. Saving Bond.

FORD is the lowest priced of the low-price three!

There are many plus-values in the new "Inner Ford"!
You don't ordinarily see many of the plus-value features that are built deep down into the all-new "Inner Ford." For example, such features as the new, sturdier, contoured frame and new suspensions, front and rear.

There's a big plus-value in Ford power for '57!
This year, you can pick a Ford engine to suit your power needs from a whole new family of mightier Ford V-8's. Or you may choose the new Mileage Maker Six.

Ford is priced right!

Comparison of manufacturers' suggested retail delivered prices proves that model for model, right across the board, Ford is the lowest priced of the low-price three!

Action Test a Ford... and see for yourself!
The only way to get fully acquainted with a car is to get behind the wheel and drive it. And we will be happy to have you come in and Action Test a '57 Ford at any time.

F.P.A.P.

COME IN TODAY...get a great deal on the **NEW KIND** of FORD!
